

ABINGDON INVITATION CRIBBAGE LEAGUE

IMPORTANT - PLEASE READ

Dear all,

You will be aware of the ongoing Coronavirus pandemic that is all over the news.

In the first of his daily briefings this afternoon, the PM has stated that everyone in the UK should avoid gatherings and crowded places, such as pubs, clubs and theatres.

As a result of this advice, after much deliberation your Committee has agreed that the 2019-2020 Winter League will be suspended with immediate effect. The final league games are therefore not to be played this week, nor will the Pairs Cup, Champion of Champions or Finals Night take place on their scheduled dates.

The league will resume and be concluded, commencing at a later date to be agreed by the Committee once the guidance from the government is that such gatherings may safely resume. As it is unclear when this will be we have also taken the decision to not proceed with the Summer League this year.

We appreciate that these measures may appear to be extreme, but your Committee has a responsibility to listen to, and act on, government advice in order to look after the best interests of all of our players, which includes your health and that of your family, friends and colleagues.

Please ensure that this message is passed on to your team members and landlord/landlady.

Finally, please do not hesitate to get in contact with me by email should you have any concerns or questions.

Kind regards,

Nigel.
